Minutes of Meeting

Minutes of meeting of Research and Development cell held on 27.01.2018, Saturday by 3.30PM at seminar hall.

Meeting Agenda

- Vision and mission.
- Functioning of Research and Development cell.
- Objectives of Research and Development cell.

The chairman of the research committee explained vision and mission of the research and development cell as well as roles and responsibilities of the cell.

The constituted R&D cell has been established on 08.11.2017 in line with the guidelines of AICTE/PCI with a view to bridging the gap between academia and industry.

Vision

To enhance a centre of brilliance in research.

Mission

To achieve greatness by promoting research activity in challenging areas of pharmaceutical sciences by focused research pursuits through interface with academia and industry.

Objectives

- To encourage the students and faculty to pursue research journals and support to publish research and review articles in reputed journals.
- To induce the faculty to apply various research projects.
- To motivate the faculty to guide innovative research projects.

Mobile: 9848498714 / 9951420612 | email: prins2mam@gmail.com | website: www.mamcollegeofpharmacy.ac.in

Functions

- The main of the research is to find out the truth which is hidden and which has not been discovered as yet.
- The purpose of research is to discover answers through the application of scientific procedures.
- Service to the public.
- Face the challenge in solving the unresolved problems.
- Encourage students to involve in different activities like participation in seminars and conferences.
- Encourage the faculty to participate and present their research outcomes in various national and international conferences.

Meeting outcome

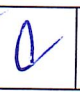

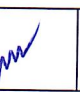

- The chairman advised and encouraged them to attend the conferences and FDP for both faculty and students.
- Discussed and finalized the objectives and functions of R&D cell.
- Finally, the meeting ended with a vote of thanks.
